## Vending: Vendors' Row/Swap Meet (Wed. Sept. 14 - Sat. Sept. 17)

We've looked at the websites of all muscle car clubs and can find none where vending is less expensive than at our Nationals. That's because buying and selling those hard-to-find Buick parts is a win-win for everyone, and we're giving all vendors a great deal this year. You must contact Vendor Coordinator John Chamberlain as soon as possible for information, special pricing and to secure your vending/ swap meet location. Please do this as soon as possible. First come, first served. All of this can all be custom tailored to your unique situation. This way you'll pay for exactly what you need and nothing more. John's contact information is on p.2 of this issue.
