

# GS Nationals Program Ad Form 2011

Company: \_\_\_\_\_

Phone: \_\_\_\_\_

email: \_\_\_\_\_

**Circle desired ad:**      1/4 Page: \$75      1/2 Page: \$125      Full Page: \$200

It is important we have a professional looking program. Please note what you see on your computer display is sized to fit and is not a good reference of dpi or printing quality. Clip-art with poor resolution photos in a .pdf format does not show your company in the best light . Optimize for black and white printing with a minimum 600dpi resolution. The program prints at 1200 dpi.

Please use one of the following **formats:**    **.eps**    **.tif**    **.jpg**

Ads may be sent electronically depending on your transfer capability as well as ad size.

I am not an expert but I have a good knowledge of formats, resolution, printing, graphics, and electronic transfer. Do not hesitate to call with questions.
